FOLD IN HALF

How to assemble the pop up card:

1. Color in the front of the card and the pop up portion.
2. Cut out the inner and outer cards as well as the pop up section along the dotted lines.
3. Fold the inside of the card in half and cut along the two dotted lines.
4. Push the cut out section out and then glue the pop up piece onto the front.
5. Unfold the inside of the card, glue the outside to it and then fold in half.
