

UNICORN BASE

PAPER ROLL UNICORN DIRECTIONS:

1. Paint a paper roll white. Alternatively, instead of paint, you can cut out and glue on the "unicorn base" from above. Trim down as necessary.
2. Using black paint or a marker, draw on eyes and a mouth.
3. Using pink paint or a marker, add two cheeks.
4. Print, color and cut out the ears, horn and hair from the template.
5. Glue the pieces onto the paper roll.
