

Four students sold different treats at the school bake sale:

- Brownies
- Cookies
- Cupcakes
- Donuts

They sold 12, 15, 18, or 21 treats.

1. Priya sold cupcakes.
2. Jack sold 21 treats.
3. The student selling cookies sold 21 treats.
4. Olivia sold brownies.
5. Mateo sold 12 treats.
6. Priya sold more treats than Olivia.
7. Jack did not sell donuts.

Determine each student’s treat and number sold.

STUDENT	TREAT	NUMBER SOLD
JACK		
MATEO		
OLIVIA		
PRIYA
